• PRESS COMMUNIQUÉ.

Dated Port St. George, the 25th February 1938.

No. 52—

[Agency—Labour—Certain forms of 'veth' labour—Discontinued object—Suppression of.]

It has come to the notice of Government that a system of labour called 'veth' is being practised in certain parts of the districts of West Godavari and Visakhapatnam. The Koyas in the Bhadrachalam taluk of the East Godavari district are engaged in Agency civil works and forest works for which they receive payment as well as certain special privileges. In the Visakhapatnam Agency in addition to the usual services rendered to fishing officers and in executing Government works, for which payment at the market rate is made, it is reported that 'veth' labour takes the form of domestic service to landowners and others for which no payment or only inadequate payment is made. Government in their Order No. 1823, Drenas, dated the 1st September 1935, directed local officials to discourage the practice of this system of domestic service. Even though such service is not widely prevalent and so possibly is infected by the employer for refusal to do that service, Government consider that this form of domestic service for an inadequate wage is a form of servitude which should no longer be tolerated. Officers under the several departments of Government are therefore directed to take all possible measures to ensure that this form of labour ceases.

G. F. BRACKENBURY,  
Chief Secretary.

But in pursuance of their declared policy the Government endeavoured to bring about an amicable settlement of dispute. The Hon'ble Mr. V. V.
